Best-of-N

<think>To answer ... I **focus on** these two specific bars and their corresponding value labels ... </think>

<think> ... highlights Austria and Norway **with red boxes**, making it clear... I subtract Norway's value from Austria's:  $24770.5 - 24688.3 = 82.2$  ... </think>  
<answer>82.2</answer>
